

American Flags

Class description~

- 4 rider timed team event.
- Only project horses may be used for this event
- Team will be made up of 4 horse and rider combinations
- Combinations will remain the same throughout the year
- Any change in combination will create a new team, require a new name and points will not follow the new team.
- 4 flags on stakes in the ground at the end of the arena 1' apart moving away from the start line.
- Only one rider on course at a time.
- Each rider must go down and pick up the the farthest flag, come back, cross the start/finish line, then the next rider, etc.
- There is a designated lane for each rider to leave and return.
- All four riders must return on the opposite side from where they left.
- Each rider must carry the flag over the start/finish line.
- If the flag is not picked up, the rider can circle the flag and pick it up.
- They must circle the same direction they tried the first attempt.
- If the flag falls, they can dismount, pick it up and remount.
- If they can't remount, they can run back with it, leading their horse.
- Each team will designate run and return lanes, and every team member will use the same lanes.

Disqualification

- 2 riders on course at any time
- Crossing the finish line in the run lane instead of the return lane
