

King County 4-H Horse Program
“Making the Best Better”

May 27, 2011

Dear Friend:

It is time for the King County 4-H Horse Programs First Annual Prize Ride to be held on August 14th at 9:00 AM at the Washington State Horse Park in Cle Elum Washington to raise money to support 4-H programs within King County.

4-H is the largest youth development program in the United States. Here in King County due to extreme budget cuts we have received less money to put on these quality programs. As one of the states largest counties, the King County 4-H Horse Program remains committed to the mission of improving the lives of each and every Youth member and ensuring their growth as future Leaders of America. We are able to do this every year by providing countless hours of training and education to our children regardless to their ability to pay. We hold numerous horse shows, clinics and other events which allow our youth to come together and learn many life skills. We also provide our youth with many opportunities to do charity work. Last year we raised money for Juvenile Diabetes and this year we sponsored a Christmas at the Farm event where children from Seattle Youth Gospel Mission got to spend a day at a farm and interact with the animals. They all went home with a big smile on their face and our volunteers learned a lot from the experience.

On behalf of this year’s Prize Ride committee, we would like to request a contribution of goods or services which may be raffled off during this year’s event.

A big part of our programs success comes from the contributions received from the community. We are forever grateful for this support. Please fill out the enclosed Procurement Form and return. If you can’t send an item, one of our members will be glad to pick it up. Call or mail to:

Kerri Markonich at (360) 825-7793.
39428 308th Ave. S.E.
Enumclaw, WA 98022
rmredrider@msn.com

You may expect a phone call from one of our proud committee members within a week of receipt of this letter to discuss your contribution. We will proudly display your companies name on our sponsor billboard at the event and on our website.

We would like to extend our heartfelt thanks for considering this request and extend a warm invitation to join us at this year’s event.

Kindest Regards,

James Luty President of the King County Horse Program
Kerri Markonich, Prize Ride Coordinator
