Judging Results

Special congratulations to the Intermediate team of Nora Gyswyt, Kalie Murphy, Joely Hannan, Cassidy Stobart, Taylor Davis, Tessa Pariseau, Johannah VanVleet, and Marisa Carlin who as a team were second of eleven counties entered. Nora was our top individual placing at 11th.

Congratulations also to our Senior team of Reilly Williams, Carol Smith, Noelle Borland, and Allison Smith - they placed fourth of the fifteen counties entered, and their average score of 345 was only 1.8 pts below the third place team. Reilly was our top individual placing at 18th.

EVERY King County judging contestant received a Blue Danish placing!!! In addition to reflecting the effort and hard work of the participants, I think this reflects the effort that judging chair Jenny Murphy has put in over the last couple of years to make our county program more consistent and to better align the reasons judging at our local contests with what is expected at State.
